

CHRISTMAS IN AUGUST

This is a different kind of celebration where the gift giving is one where you give the gifts to yourself.

No, it is not selfish. The gifts you are giving yourself you are going to share but you have to have the gifts first.

Catalog of unique gifts

CMF endorsement training is a ten week course exploring the Biblical basis for Montessori. If your training never explored this vital area this is an adventure to add to your knowledge base. Even if your training touched on the spiritual dynamic of Montessori this can be both a refresher course and a professional development avenue. You might well sing, “Hark the herald angels sing ..” as new insights are birthed in the Bethlehem of your heart.

The course starts Monday August 7th.
